2016 COMMUNITY SURVEY RESULTS

Jesse Thyges, Village Administrator, discussed the survey results with the Finance Committee. The results were overall very good for the Village. The Website and Constant contact, Village Voice, were rated high (for citizens to receive information) and Twitter was rated the lowest. There were written comments in questions number 13 which were dispersed to the Finance Committee.

Next year, the Office of the Administrator will be conducting a large comprehensive Community survey for the Village. This survey will have more questions, and will be promoted to try to obtain a higher response rate. To obtain a higher responsive rate, funds have been allocated into the 2017 Executive Budget. The Finance Committee and Administrator Thyges discussed the results and comments.

This agenda item was for discussion purposes only and will be brought to Village Board on November 21, 2016.

OLD BUSINESS

An update to the Village's Information Technology was briefly discussed and additional information will be given in December.
